ALL IN THIS TOGETHER:
RACIAL JUSTICE AND DEMOCRACY IN THE 21ST CENTURY

RINKU SEN

Race relations in the United States are the most contested in half a century. Communities of color face grave threats, as do our still-young democracy, all in a context of world changing technological revolution. This talk will explore how these issues are related, and what we can do to ensure a fair and sustainable nation for all. Rinku Sen is a Senior Strategist at Race Forward: The Center for Racial Justice Innovation, and contributing writer for Colorlines.
